 is the length/endurance/continuation; ሃሃፋፋ
 and a cubit/matrix of original thought with illumination/half ቤተዳሃ ጓግፋሃ
 is the width/means of expanse; ሃፃዳፋ
 and a cubit/matrix of original thought with illumination ቤተዳሃ ጓግፋሃ
 is the height/means of ascension. ፡ሃጸግፍ

The construct of building the mind that houses the assembled thoughts of the oylut are conveyed as the full extent of the deeds of the Unified Consciousness. The common Values of 18” relative to a cubit pertain to the works of the Unified Consciousness, a measurement of the arm unto the middle finger, denoting the far reaching deeds of the thoughts of Fire. The One of Eight/18 is of the mind of the kuwahenhagúwdal/the high priest. The ark, as all parts of a house, is made daily through the oylah through which one renews the arúwan within them with the insights and configurations of thoughts emanating from the Fire of the altar.
